BRITAIN**

# THE DORKING, SEATON AND LYNDHURST

Table for size, variation and fabrics to the rear of the brochure

The sofabed is the perfect space-saving option and the welcome solution to providing extra beds for your guests. Our sofabed range is made in-house by our quality craftsman and are available in a variety of different finishes depending on your chosen interior. Our sofabeds are also FIRA accredited and fully compliant with all UK relevant standards safety.

## THE DORKING

*Our no-arm streamlined solution.*

## THE SEATON

*Even more space saving - the Sofa Chair!*

## THE LYNDHURST

*Available with varying arm widths.*

# THE DORKING, SEATON & LYNDHURST

## ACCOR HOTEL GROUP APPROVED

All the listed products below are approved and validated by the Accor Hotel Group and made exactly to your specifications. Our range of sofabeds are all approved and validated by the Accor Hotel Group.

Made bespoke for the Accor Hotel Group and also part of the Ibis UK toolkit, our three sofabed ranges are made in-house by our quality craftsman and are all available in a variety of different finishes depending on your brand or room interior. Available in a red or yellow stripe to suit your Ibis room design.

# THE DUET

Table for size, variation and fabrics to the rear of the brochure

Unique and adaptable. Two single and separate bed mechanisms in one sofa. Increased flexibility and utilization of room space for different level of occupancy.

Available in our standard range of Crib 5 upholstery or suitable customers own materials.

# THE DUPLO

Table for size, variation and fabrics to the rear of the brochure

The Duplo sofa bed is the perfect space-saving option and the welcome solution to providing extra beds for hotel guests.

The sprung truckle bed can be wheeled away for privacy and individual comfort.

Perfect for the Apart Hotel.

# THE LADUE

Table for size, variation and fabrics to the rear of the brochure

The Ladue offers seat and back cushions fixed to the mechanism for fast and easy operation without removing and storing of seat cushions.

Available in standard range of upholstery  
crib 5 materials.

# THE TUNBRIDGE

Table for size, variation and fabrics to the rear of the brochure

From sofa to bunkbed in under a minute, your space can be transformed from a seating area, to a sleeping area.

Child-safe and UK quality-tested with full certification, the Tunbridge comes with a ladder and guard rail protection and can be upholstered and finished to fit and compliment your interior decoration.

# THE COMPANION

Table for size, variation and fabrics to the rear of the brochure

Created without compromise, the Companion folding bed brings together the most innovative technologies to create one of the most luxurious folding guest beds imaginable.

Made using the finest materials, the anodised aluminium frame is lightweight, and sits on premium 360° castors which allow the bed to be easily manoeuvred. Precision injection moulded components compliment the stylish appearance.

The unique and exclusive T-Lock folding mechanism enables effortless opening and closing of the bed, one side at a time. Resting on the sprung slatted base, the dual density mattress combines two layers of Airflow Fibre for optimum comfort.

# THE CROWN PREMIER

Table for size, variation and fabrics to the rear of the brochure

British made with a lifetime frame guarantee. Suitable for regular use. J-Tex™ Sprung Base System for support & comfort. Full depth spring interior mattress. Carbon Steel Springs for even Support. Exceeds British, European and North American safety standards. High performance mattress fabric. Suitable for use in contract environments.
